

# DECKCARE

For use as a mopping fluid on PVC and synthetic decking. Also for use for spray-cleaning. Contains a protective residue to maintain and help restore the appearance of deck finishes. Streak-free formula.

## Directions For Use

For best results, pre-treat decks with DeckGard.  
Sweep or vacuum away loose dirt and litter.

For Mopping: at first use 400ml of DeckCare per 5 litres of COLD water. Later this can be reduced to 200ml per 5 litres. Damp wipe, frequently washing out the mop in the solution. If desired, the deck may be burnished after it has dried.

For spray cleaning: use 100ml of DeckCare diluted in 750ml of clean water. Spray a fine mist onto dirty areas only. With a fine synthetic spray cleaning pad, buff the area clean and dry - to a fine finish.

## Health & Safety

IF SWALLOWED: Call a POISON CENTRE/doctor if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/attention.

IF ON SKIN: Wash with plenty of water.

If skin irritation occurs: Get medical advice/attention.

Dispose of contents/container in accordance with regional regulations.
